

CPC OFFERS EXCELLENT SERVICES

We pride ourselves on providing you with the widest range of products and services needed to suit your kitchen needs and requirements. We have always insisted on sourcing the finest materials to create a

product range that consistently reflects the highest quality. CPC have been successfully trading for over 30 years now and with an experienced team on hand to offer expert technical advice, both at our

trade counter and by telephone, we are confident in fulfilling all your kitchen & furniture requirements.

PRODUCTS

With a huge range of products we feel there is something to suit every ones needs; from doors to sheets, from worktops to laminates and many more. There is also a wide selection of power tools to get the job done; these include drills, sanders, band saws and laminate trimmers. We are sure our prices will suit all our customers. **The cut & edge service is available in any colour or size to suit your needs. It is also possible to mix and match your boards and edging to suit your own needs.** You can have your entire kitchen cut as long as you have everything itemised as you want it. To see many products in-situ just call into our showroom and have a look around or talk to Pat at the sales counter, alternatively just give us a ring and talk to a member of the sales team.

THE COMPLETE PACKAGE:

- Centrally located in Mid Ulster
- Over 8000 products in stock
- Swift delivery service
- Largest stockist of decorative sheet materials in Northern Ireland
- Sales team with over 200 years combined experience in the kitchen trade.
- Range of power tools available

COMMUNICATION

There are a few ways you can place your orders with us. You can telephone CPC on **028 8676 2685** and speak to one of our sales team; they will provide you with the information you need and help with any queries you may have. The second method of communication is through fax. You can send a fax to **028 8676 3275** with your order stated, name, address and contact details. Alternatively, if you want to save time, or place an order out of normal

working hours, go to **www.cookstownpanel.com**. Although payments cannot be made you can place an order and one of the sales team will contact you to confirm your details, payment and address. Information on all our products and services can also be viewed online as well as in the trade catalogue, which can be obtained by contacting our sales department or calling in to our sales counter.

TRANSPORTATION

Our fleet is ever extending and there is now a total of ten lorries delivering across Northern Ireland and Republic of Ireland five days a week. Our delivery service aims to get your products delivered to you as quickly as possible with five different delivery runs per day. For more information on when and where our lorries deliver to your area contact one of our sales team on **028 8676 2685**.

TELESALES

Our internal sales team are here to deal with any queries you may have; with years of product knowledge between them they will be able to find what suits your needs. **Marty** is our Blum specialist while **Shauna** deals with the laminates and specification department; **Mark** is our resident door expert and **John** deals with cut & edge while **Andrea** deals with MDF, MFC's and dispatch. Each sales personnel is briefed, updated, and when required trained, on all new products and any improvements on existing lines on a regular basis.

Whatever the case may be, we always have the latest products in stock.

EXTERNAL SALES

Many of you will already know at least one of our two experienced external sales reps: **Shane McCreesh** and **Andy Smith** both cover different areas in the north and south. If you would like the rep for your area to call and have a chat about any new or existing products please contact us on **028 8676 2685**. Alternatively if you already know the rep in your area contact them via the following:

Shane McCreesh
T 07710 563904 E shane@cookstownpanel.com

Andy Smith
T 07980 560736 E andy@cookstownpanel.com

We have all the components needed to meet all your furniture needs and the tools to make it with.

A word from the MD

Welcome all to the 8th edition of 'Focus'. As you will have seen from the front page, this version focuses on the services CPC provide.

With such a large fleet we are quite proud of our delivery service. In saying that, we don't like to rest on our laurels and are always working tirelessly to improve on it. Customers can always help in this respect by making sure orders are in as early as possible, something many of you already do anyway.

Referring to the new 25mm doors, we are glad to say they have now arrived and are available immediately, although many of you will already know that having already ordered samples. Price lists are also available for both the Modena and Novara.

Speaking of price lists, there is now one available to go alongside the new edition of the trade catalogue. If you haven't already received one, please contact any member of the sales team and arrange to have one sent out with your next order.

As well as the new doors there have also been a few other additions to the CPC product range and hope you like them as much as we do. Happy reading and enjoy the rest of your 'summer'; i'll speak to you again in the autumn.

Gerard Mallon

Managing Director
Cookstown Panel Centre

THEY'VE FINALLY ARRIVED! MODENA OAK & NOVARA CHARACTER OAK 25MM DOORS

These two new 25mm doors are both modern solid doors with a solid flat panel. The **Modena Oak** comes raw whereas the **Novara Character Oak** is available polished.

So far these two doors have received great interest from you, and now that they have finally arrived many of you have been experiencing the benefits to full effect and we hope this will continue for the foreseeable future.

A full range of accessories is available for each door including a **matching cornice** that compliments the doors perfectly. With both being available immediately please do not hesitate in contacting your sales rep or Danielle in CPC to organise a sample door for you.

TAKE A SHINE ...

... TO EGGER'S NEW GLOSS MFC

In keeping with the current demand for high gloss within kitchens, bedrooms & bathrooms, Egger have introduced Melamine faced boards with a **gloss finish - ST30**.

With a gloss level of 103 points and a **good scratch resistance**, this product is perfect for carcasses and end panels. All boards are supplied with a protective film on both sides to guarantee safe and secure transportation.

We can now offer you **10 decors from stock**, which are all available with matching gloss ABS edging to create a high value finish. In addition, all other EGGER colours are available on request.

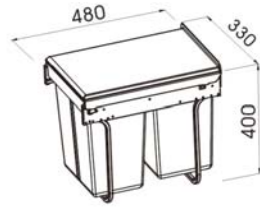

| Stock Range | |
|-----------------|-------------------------|
| Sheet size | 2800 x 2070 mm |
| Thicknesses | 18 mm |
| Texture | ST30 |
| Protective Film | On both sides |
| Coreboard | EUROSPAN® raw chipboard |

These new egger gloss MFC'S are available immediately. So why not contact your sales rep, or Danielle in our sampling department, to organise a sample board for you.

**NEW DUSTBIN
KDB12**

We have extended our range of waste bins with this New Grey KDB12 Dustbin. This bin offers a practical solution to waste separation within the kitchen. The bin is available in one height, width and breadth: 360 x 303 x 224, with a fixing method of 400 x 480 x 330. It contains two components for separation that hold a maximum of 20 Litre's each and has an easy pull out application to make waste disposal easier.

For more information please contact Marty directly on 028 8676 0355.

Pull-out base mounted waste bin to suit minimum 400mm wide cabinet, 400mm high, 2 x 20 litre capacity.

Turbofast

THE SCREW THAT BITES

We have introduced a new range of Panther Turbofast countersunk screws. This product is available in boxes of 200 and has a yellow passivated finish.

Benefits include:

- Separated cutting threads that actually cut into the timber.
- "GASH" Drilling point for quick starting, faster driving and reducing timber splitting.
- Self countersinking head.

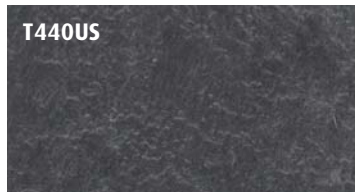

For more information on our fittings and fixings, contact your sales rep or Pat on 028 8676 2685.

- P2 90538 (3.6 x 905 x 38mm)

For more information please call in to our sales counter or telephone one of our sales team on 028 867 62685

BLUM Pre-Built Drawers

Everything you need to fit a Tandembox in a single Box!

The Pre-Built drawer range we featured in our last edition have proven to be very popular among you and we hope they will continue to be. These pre-built standard and pan drawers have a number of advantages:

- Convenient – No Assembly Required.
- Time – Pre-built to save labour time.
- Waste – No wastage on MFC's for base and back of drawer.
- Money – Save money on labour cost of assembly and MFC's.

Drawer Specifications:

Pre-Built Standard Drawers – Sets include: runners, drawer sides, cover caps, front fixing brackets, screws and 16mm Grey MFC base and metal back.

Pre-Built Pan Drawers – Sets include: runners, drawer sides, gallery rail, cover caps, front fixing brackets, screws and 16mm Grey MFC base and metal back

Both standard and pan heights available.

For more information please contact Marty directly in sales on 028 8676 0355

Snippets

New Arrivals

Connor Mc Swiggan has become a daddy to a bouncing baby boy, TJ, weighing 7lb, 4oz. Congratulations to Connor and Patricia.

Ian Stewart also has a new addition to the family, a beautiful baby boy named Ryan weighing 7lb, 8oz. We wish Ian and Roisin all the best.

Wedding Bells

Congratulations to **Shane Rooney** and Paula on their recent wedding in .

Departure

On a sadder note, after working for a year in CPC as marketing assistant, **Roisin Toner** has finished her placement. She will be going back to Jordanstown and we wish her good luck in her final year and for the future.

Returning...

Danielle Mallon has returned to carry on the role of Marketing Assistant in CPC. She will be involved in all areas of marketing at CPC from the design and publication of the quarterly newsletter to flyers, catalogues and updating of the company website. As a secondary role Danielle will also continue the samples department ensuring all requests are dealt with as efficiently as possible.
