

NEW Metakor range for 2011

A selection of modern & traditional handles

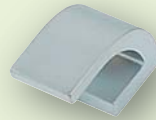

Modern Collection

The actual trends in fashion and design inspire Metakor for their highly contemporary line of handles. Metakor keeps its finger on the pulse and calls on the services of internationally famous designers. In this way, they stay ahead of time always aiming at reaching the highest level of quality and finishing in order to fully meet the most important needs of the client.

Traditional Collection

The timeless collection is made up of handles that easily stand the test of time. They fuse together with pure types of timber and reinforce the strength of strong materials. Metakor makes sure that your timeless creations are given strength and elegance, a traditional look and feeling, nevertheless manufactured according to the highest actual quality standards and fully adjusted to your needs.
